The dangers of arbitrary and inconsistent viewpoint censorship are only exacerbated when enforced by police states (that masquerade as democracies) using opaque procedures that fall egregiously short of due process and are insensitive to context, such as sarcasm, comedy, lampooning, parody, humor, satire and socio-political commentary.

THE WHITE HOUSE

WASHINGTON

November 20, 2019

My fellow White Supremacists,
Russian Stooges,
NRA, KKK, ACLU,
Incels and Inbreds:

As you know, the 2020 Election is just around the corner. My Russian controllers are telling me that Hillary Clinton [LOCK HER UP !] is about to jump into the race, so I am urging all of my supporters to prepare for civil war should the FAKE NEWS MEDIA declare her the winner in November 2020..

My QAnon fruity-loops are already armed to the teeth and just salivating, waiting for me to give the word. So should all of you. It will make me PRESIDENT-FOR-LIFE !

Now I know what you're thinking . . . isn't the Election already in the bag with Bezos' pre-programmed ballot-flipping voting machines primed and ready to go ? And with Zuckerberg's analytics already manipulated to PROVE that I won fair and square ?

Sure, but just in case these measures fail, I want you all to be ready to grab your guns and hit the streets after Election Day. We can't be too careful !

Sincerely,

wow.obbrara.moo.gog.1515
